

OUR TRUSTED LEGACY IS YOUR SUCCESS

PRODUCT CATEGORY:
HOSPITAL FURNITURE

PRODUCT NAME:
HU-I-U0002167

PRODUCT DESCRIPTION:
DRUG STORAGE CABINET

Area of Use: All Areas

Intended Use: Drug cabinets are normally lockable, wall mounted or mobile units that allow healthcare workers to store and dispense drugs near the point of care/use in a hospital or other medical facility.

OUR TRUSTED LEGACY IS YOUR SUCCESS

HU-I-U0002167 SPECIFICATIONS

TECHNICAL SPECIFICATION:

Medicine storage cabinet, double door.
Mounted on four sturdy supports, all fitted with height-adjustable feet.
Plain side panels and doors block visibility of cabinet contents.
Reinforced internal fixtures allow height adjustment of the four shelves.
Doors are triple-hinged and lockable with a key.
Two-point locking system secures the doors at the top and bottom of the frame.
Includes one or two built-in, separately key-lockable controlled medicine compartments.
Controlled medicine compartment doors are double-hinged.
Each controlled medicine compartment is fitted with a one-point lock sliding into the side of the frame.
All doors have recessed finger grip handles along their full length, maintaining a flat front surface.
Each cabinet and controlled medicine compartment is supplied with unique keys. The key bow folds away from the key blade to prevent breakage while inside the lock.
Clearance underneath the cabinet allows for easy cleaning.

MATERIALS:

Designed for high resistance to corrosion (tropical environments).	
Adjustable feet:	Nylon
Frame, panels, base, top, and shelves:	Epoxy-coated steel plate
Doors and controlled medicine compartments:	Epoxy-coated steel plate
All furniture components contain less than 100 parts per million (ppm) of the following chemical groups:
