

PRODUCT CATEGORY:

PENDANT SERVICE SYSTEMS

PRODUCT NAME:

HU8-FSP-02

PRODUCT DESCRIPTION:

FLOOR STANDING PEDESTAL

Area of Use: Casualty, Trauma and Emergency Units.

Intended Use: The pendant service system is floor mounted and is intended to supply one or more of the following medical services via a fixed, service pillar:

- electrical power up to 240 volts
- medical gases such as oxygen, nitrous oxide, carbon dioxide
- low pressure medical air for patient ventilation
- high pressure medical air for driving other medical devices
- vacuum and / or anaesthetic gas scavenging services

The unit can be fitted with medical rails for monitors, life support systems, medical attachments etc.

The equipment is intended to be used by surgeons, anaesthetists, qualified Trauma, Theatre and Intensive / High Care nursing staff.
